

# XXVI WORLD CONGRESS OF ECHOCARDIOGRAPHY AND ALLIED TECHNIQUES

## CALL FOR SCIENCE: CLINICAL CASES WITH CARDIOLOGICAL IMAGES

- Aimed to resident physicians of second and third year cardiology and attending or assistant doctors of the specialty.
- Clinical cases with images of transthoracic, transesophageal echocardiography, tomography, nuclear medicine and / or magnetic resonance. **IMPORTANT:** to emphasize the main interest of clinical cases with clear and precise images, that describe a disease of classic or exceptional presentation or some novel element in its clinical manifestations. The manuscript must be in English language.
- The manuscript must be sent to the email: [worldechoperu20@gmail.com](mailto:worldechoperu20@gmail.com) with the subject: CLINICAL CASE.  
**Deadline:** MAY 31, 2020.
- More details about the contest rules and the clinical case presentation structure at <https://sopecard.org>
